Life Group Leaders,

Please review the attached list of suggested materials for the upcoming semester of Life Groups.

Please note:

- A weekly facilitation guide will be provided if you'd like to discuss Sunday's message in your groups.
- It is always an option to study a book of the bible.
- I've highlighted my top-15 favorite choices in **RED!**
- If you find another resource you'd prefer to use, please provide the author, title and a web-link for approval at least a week before the group details must be collected (7/17). All materials used for group discussion must be biblically-grounded and include reading and application of scripture at each meeting.
- The materials below are alphabetized.

### **Financial Responsibility for Curriculum**

Leaders are welcome to borrow DVDs/leader guides from the BridgePointe "library". The church will consider purchasing DVD curriculums upon request. If you opt to purchase a DVD or leader guide yourself and are willing to donate it to the "library", the church is grateful. All group participants and leaders are expected to purchase their own study guides and/or books.

The coaching team is available to you for support and discussion about the options for your group!
